

Barwon Hunt Hunter Pace Monday 9th June 2014 at 10.00am

Fox Creek, 1565 Cressy Rd, Ombersley

(From Winchelsea take Cressy Rd NW, Fox Creek is 15.65km along on the left. From Hamilton Highway take Wingeel Rd South to the end and turn right onto Cressy Rd, Fox Creek is approximately 1km on your left)

What is a Hunter Pace?

A course is set over approximately 8km of Hunt Country, taking in both hunt fences and man made fences. All jumps are optional, some with lower alternatives. Competitors must ride in pairs or teams of three and the team closest to the optimum time is the winner.

The optimum pace time is determined in the following manner.

The MFH of the hunt (or their delegate) will ride the course with a partner at a speed appropriate to that out hunting, taking into consideration the terrain and the prevailing conditions. The time they take to complete the course will be the optimum time. The identity of the pace setting team and their time are kept secret until all riders have completed the course. The course will be clearly marked with arrows at turns and indicating go-arounds.

Entry is \$20 per round. A horse may only participate once, but a rider may compete as many times as they please. Additional rounds will cost \$10. No entries will be accepted after 11.30am.

Refreshment is offered to all competitors after the pace and is included in the competition entry. Lunch may be purchased by non competitors for \$5.00.

Sashes and prizes to be awarded
